CHANGES COMING TO BIG GAME REGULATIONS ~ HAVE YOUR SAY!

ODFW Public Meetings

SALEM, Ore.—Join ODFW district staff at one of 20 meetings happening around the state in July. The meetings will focus on big game regulations and are a great chance to come and hear about changes proposed for the 2020 seasons, comment on those changes and ask questions of district wildlife biologists.

As part of a multi-year process to review, simplify and improve the Big Game Hunting Regulations, ODFW is proposing some major changes for 2020, including changing the Western Oregon centerfire bag limit to a buck with a visible antler and offering a new general season antlerless elk damage tag. Get more details on these proposals at the meetings or look for an online summary next week.

Public comment about the proposals and other issues related to big game regulations will be taken at these meetings, or email comments to odfw.commission@state.or.us. Final 2019 Big Game Hunting Regulations will be adopted at the Sept. 13 Commission meeting in Gold Beach.

Below are the locations closest to Clackamas County. For other meeting location around the state, go to https://www.dfw.state.or.us/news/2019. You will see an item for June 24 "ODFW hosts big game regulation meetings around the state beginning July 2".

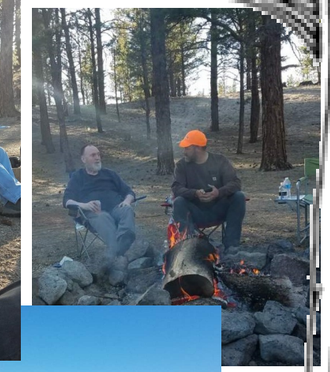
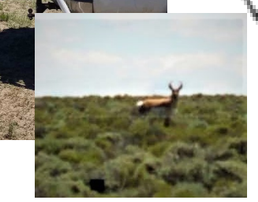
ANOTHER GREAT CAMPOUT!





July 4 th is just around the corner and our annual camp-out has come and gone once again. There was a smaller crowd than usual this year. However, with about 20 people we managed to get all the work done. The biggest repair was a broken pipe so we had to dig up Moffit 5 and repair the line leading into the water trough. Not as much water was needed due to some great rain this winter. The weather was absolutely perfect during the day but a little cold at night. We are looking to move the camp-out one week later next year so it would be on Father's Day weekend. I would like to get a poll on how many would like this change? Some people would like to go to the Sister's Rodeo but it conflicts every year with the campout. If you can make the meeting we'll discuss it there or just call me at 503-710-1233 to give your input. I would very much like to get a head count of who is for and against the change.

Hopefully you got to sign up at the last meeting to work at the Buckaroo. We will have a booth there again this year.

I hope you were successful in drawing your tags if not, I wish you better luck next year.

Well good day and good hunting.
