

OREGON HUNTERS ASSOCIATION

BEND CHAPTER NEWSLETTER

March 2018

NEXT CHAPTER MEETING April 5, 2018

**Kelly D's 7:00 PM
1012 SE Cleveland, Bend
Come at 6:00 to socialize and
have dinner- bring a friend !

The first guest speaker this month was Bob Bonine, animal back country packer. Bob gave a presentation on horse and mule pack hunting that was very interesting, showing slides and facts how, why and what to do. "I've been packing for 30 years. I was asked to speak on the pros and cons of horse packing into the high country and on hunting trips."

The pros are:

- * Easy to access areas that are difficult to access by foot due to distance.
- * You can hunt with little or no pressure from other hunters
- * If you make a kill, it's quicker and easier to get it out
- * You can have a more comfortable camp by being able to pack more in.

The cons are:

- * You have to have access to or own your own stock.
- * You will need access to or own your own trailer and have a pickup big enough to handle a stock or horse trailer.

- * You need to feed your stock all year and depending where you hunt will need to pack your own feed in.
- * You may have vet bills.
- * You will need to work your stock to have them in shape when packing into the high country or when hunting season comes.

In closing just remember, not all stock makes a good mountain horse nor do they make good pack stock.

**Bob Bonine
541-408-5489

Our second speaker was **Suzanne Linford** of Protect Animal Migration (PAM). Suzanne gave an update of PAM, since it started two years ago to reduce mule deer fatalities from animal/vehicle collisions. (AVCs). PAM works with public agencies: ODFW, ODOT, USFS (Deschutes National Forest) and in partnership with OHA and the Oregon Wildlife Founda-

tion. PAM's goal is to educate the community on the threats of long term sustainability to mule deer, and the need for wildlife crossings that can reduce AVC's by 85-90%.

For the last three years there have been over 1,000 reported AVC's in Deschutes County. It is estimated that there are three to five times as much unreported accidents, where the animal goes off into the brush and dies. At a cost to motorists of \$6500 per collision, the total conservative amount is \$6,500,000 yr. = \$32,500,000 including estimated unreported carcasses. This amount can be reduced by 85- 90% with wildlife crossings.

Crossings can vary from underpasses, overpasses, modified culverts and modified bridges. They pay for themselves over time. Other western states have dozens of them. Oregon has three, with a fourth planned at Gilchrist for elk. PAM is working on getting funding for the ten miles of fencing that is needed for this underpass. OHA, Medford Office, has awarded a grant to PAM that will be used to publish brochures and to develop a website to reach a larger audience in the state to explain this need. PAM is also speaking to various community groups to alert them and to get their support for fencing on the Gilchrist crossing.

PAM is also working in the county to get wildlife unfriendly fencing changed or removed on public lands. Deschutes Co is sending out information on fencing to all residents. PAM is helping get this information ready, both for residents in the wildlife combining zone and for others whose fencing poses severe injury and death to deer who are trying to move across the landscape, often to find water.

Jim Mooers, A member on the PAM board and member of the Bend chapter of OHA, is heading up a project to pull down fencing and barbed wire, where it is on public lands and poses a hazard to animals and humans. This will reduce another source of fatalities. Suzanne concluded her presentation with a list of the accomplishments that the Bend Chapter of OHA has done for habitat and wildlife. "These hunters pull on their boots and go out and get the job done," she said. "That's why they are the conservation organization."

Hello from **Three Rivers Archers**. Even though this is not our normal season for practice we have had a handful of our kids continuing to hone their skills and stay on target. We had 6 of our archers compete in the S3DA State Championships at the Bowtech facility in Eugene, OR. Then just a short time later 3 of those archers flew out to Las Vegas, NV to compete in the S3DA Nationals competition to represent the great state of Oregon... They did a phenomenal job at that and all of their families / coaches are

so very proud of them. 2 very determined archers stayed the following three days to compete in the Vegas Super shoot (boy was it a grueling 3 days of archery) they even got to enjoy a night of "shooting with the pro's" where they got to meet some of their role models and learn very important skills to help them in their competitive goals. Just this last week we had 3 of the same archers compete in the OBH (Oregon Bow Hunters Associations) indoor State Championships in Bend. Through all of this the archers have created numerous long-lasting friendships from around the United States and have increased their knowledge of wildlife management and habitat preservation / restoration so that they and their future families can enjoy the great outdoors.

Bend Chapter

MULE DEER CLASSIC BANQUET

MARCH 24TH, 2018

At The Riverhouse Convention Center
Bend, OR

Doors Open at
4:00 PM

Dinner served at
5:30 PM

Live Auction starts at
7:30 PM

Join us Saturday, March 24th at The Riverhouse Convention Center for the 26th annual Bend chapter Oregon Hunters Associations Mule Deer Classic Banquet and Fundraiser. Come at 4:00 for the social hour, where you can enjoy games, enter raffles, preview the live auction, bid on silent auction items, and swap hunting stories with fellow hunters. Enjoy the buffet dinner, enter raffles for 30 firearms and other prizes, hunting and camping gear, trips, artwork, golf, and more.

Reserve your dinner and raffle ticket packages on the enclosed order form.

2018 MDC Raffle Options

Complete the registration form to reserve your dinner & ticket packages for the **2018 Bend OHA Mule Deer Classic**. Space will be limited to 400 so make your reservation early to guarantee a spot. Send your registration in by February 17, 2018 and receive an entry in the Early Bird Drawing. Everyone attending the banquet (over 16 years old) will receive a ticket for the Mule Deer Classic Event Drawing. All youth, ages 6-16, attending the banquet will receive a ticket for the MDC Spike Drawing with a chance to win a Savage.22LR Autoloading Rifle. Youth, five years and younger, will receive a ticket for the MDC Yearling Drawing. Join or renew your OHA membership at the banquet or show that you are a life member or pledged life member and be entered in the New Member Drawing or Life Member Drawing.

The following raffles tickets are available for advance purchase. Each raffle has a limited number of tickets available. Any tickets not reserved in advance will be available for purchase at the banquet.

April Speakers

We have two speakers next month,

1. **JR Lorimore** with “3 Rivers Archers” giving us club updates and what they will be doing next. Our board has approved funding of \$1500 to 3 Rivers for helping the kids program.

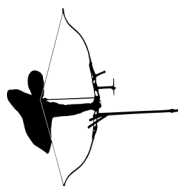

2. **Dave Jarschke** will be speaking about “sizing up Bears”. That should be interesting right before spring bear season!

Both should be very informative
Please join us!

The Bend chapter of OHA donated funds to **3 Rivers Archers** last year and became a sponsor for the Archer program.

Left, a picture of the shirts and OHA logo worn at the Sportsman show in March.

Left-

A few years ago, **Mike Sheets** had been hunting a very large Mule deer on property off Lower Bridge Road. That deer was poached and **Sr. Trooper. Travis Ring, OSP F&W** ended up making the criminal case. **Mike Sheets** having not been able to harvest the deer wanted it to go on display with **OSP F&W** and he offered to help pay for the shoulder mount which was done by **Clinton Hall** from Redmond. Mr. Sheets provided \$400 towards the shoulder mount and Bend OHA recently approved the final \$300 payment. This deer scored 210 and was completed in time to be put on display at the **ODFW & OSP F&W** booth at the Redmond Sportsman Show.

Right-

These Swan and Snow Goose were displayed in the **ODFW, OSP F&W** booth at the Redmond Sportsman Show. This Swan was an animal poached- the hunter stated he thought it was a Snow Goose. The Bend Chapter of OHA paid to send it to a taxidermist. "We think it is important people can see the difference."

Be responsible- Know what you're hunting.

Treasurer's Report

John Bambe was pleased to report that the current Bend chapter, OHA checking account balance was \$73,718.00 as of March 1, 2018.

Monthly Door Prize

The March door prize winner was **Wendy Jordan**. Wendy won a \$25 Gift certificate to **Sportsman's Warehouse**.

Come to the meeting and win! Bring a friend, have a good time visiting with old and new friends!

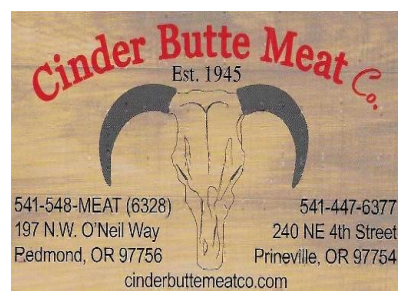

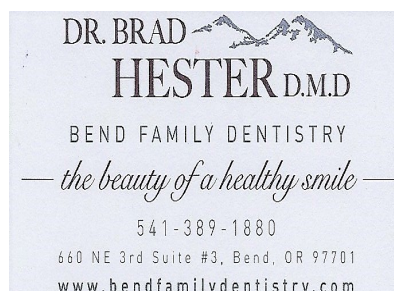

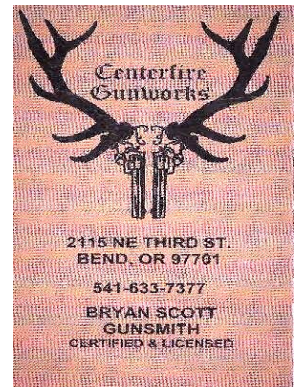

For youth who plan to hunt in 2018 the time to sign up for the Hunter Education class is now.

Hunter education is required for any hunter under age 18 in Oregon (unless they are hunting on land owned by their parents or legal guardian or are participating in the Mentored Youth Hunter Program).

It's recommended for adults new to hunting, too, or as a refresher for veteran hunters. The class gives a thorough introduction to the skills hunters need, covering topics like: firearms safety, hunter ethics, wildlife identification, hunt preparation and techniques, and outdoor survival.

The class takes 14-16 hours and requires a \$10 application fee. All youth students are required to participate in a live-fire exercise (students who take the workbook or online option do this by registering & participating in a field day). There are three ways to take a hunter education class, go to: <http://www.dfw.state.or.us> to see class listings and dates or Call 541-388-6363 for more information. In Oregon, there is no minimum age for hunting. If a child can pass Hunter education, they can hunt rabbits, squirrels, coyotes and birds. To hunt big game, a hunter must be at least 12-years-old, unless they are enrolled in Oregon's Mentored Youth Hunter Program.

Every child may be exposed to guns at some point. Safety education teaches a respect for firearms and archery equipment that can keep them and others safe.

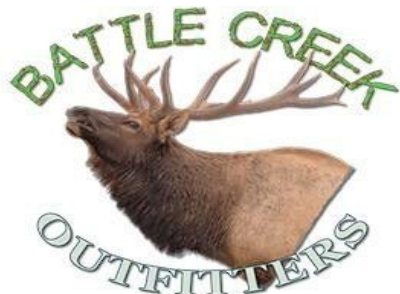

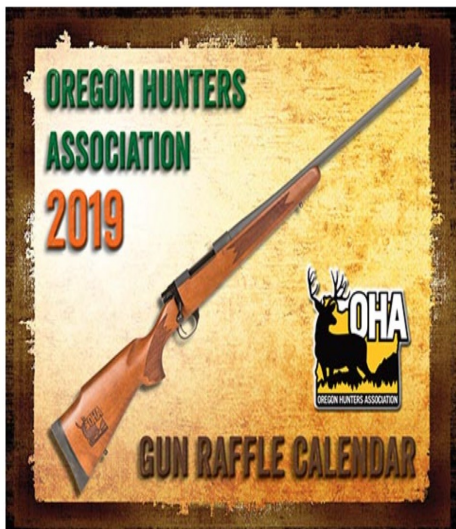

Volunteer

Volunteers Needed

May 11,12,13 we will be building a buck and pole fence about 3 miles from Sisters on National Forest land. The purpose is to protect an Aspen stand. Arriving on May 11th will make it possible to get an early start on the 12th. The primary work day we will be drilling and nailing two bucks together and then drilling the poles and nailing to the bucks. The Capital Chapter will likely send some volunteers and camp near the location. Dry camping will be available with a possibility of a potluck Saturday night, a good time for all!

The National Guard Oregon Youth Challenge will be sending two squads or 28 young adults to assist. Local RMEF Project Coordinator will be soliciting volunteers from RMEF so we hope to have several different groups participating. This project will surround an approximate 8 acre area. We will likely use a few Quads to haul in materials, however our main job will be to drill and nail the bucks and poles. This is a project that is close to home, so we encourage you to come out for the day or the weekend and participate in a worthwhile project. For more information or to sign up contact-

Eric Brown, Bend Project Coordinator 541-647-0424.

OHA is selling Gun Raffle Calendars for \$50.

You get:

A 2019 OHA Gun Raffle Calendar, different than the regular OHA calendar.

- A membership for a new member (only). If you are already a member, you can give the membership to someone else. It cannot be used to renew a membership. You can pay extra and upgrade it from a new single membership to a new family membership.
- A raffle ticket for the gun drawings. OHA will draw 52 winners and give away one gun each week for all of 2019. If you are drawn, you win the gun of the week, pending background check and registration.
- A \$20 Sportsman's Warehouse coupon

There are a maximum of 2,000.00 calendars to be sold. You have to return the raffle ticket to OHA state office by December 2018 with your name and contact info.

There is a large variety of guns and you can see the gun of the week in the calendar. Values vary.

Call a Bend chapter board member, or come to a meeting for your tickets!

Our 15th annual

Youth Upland Bird Hunt

Saturday, November 17, 2018

Registration begins October 1st at ODFW

In order to participate in this popular event,
youth must have a Hunter Education card

Bend Chapter OHA

Charles Beckley Scholarship Introduction 2018

The Bend Chapter of the Oregon Hunters Association (OHA) has established a scholarship for higher education honoring the life-time member Charles Beckley, who passed away in 2004. Mr. Beckley was a dedicated OHA member and was among the first hunter education instructors in the state of Oregon. This scholarship furthers OHA's goal of helping to educate future hunters and outdoor enthusiasts.

Bend OHA is looking forward to handing out multiple scholarships this year ranging from \$250 to \$1000. The number of scholarships awarded and the amount of each is largely dependent on the amount of money available in the Charles Beckley Scholarship fund and the number of qualified applicants. Funds for these scholarships have been raised from the Charles Beckley raffle at the annual OHA Mule Deer Classic Banquet.

RULES:

Eligible applicants must be new or returning college students enrolled in any accredited trade school, technical school, community college or university.

The scholarship funds will be sent directly to the school at which the student is enrolled and will be credited to their account.

The scholarship award is a one-time gift and must be able to be used in the year it is awarded. Any unused funds will be returned to the scholarship fund by the school to be used for future awards.

Applicants must complete the scholarship application form and include an essay explaining why you should be selected. Include any past experiences that demonstrate how your values and experiences align with the OHA mission statement. You may include other materials such as letters of recommendation, photos of you engaged in outdoor activities or community service, past awards, or examples of leadership.

Applications must be postmarked by **April 15, 2018.**

A recipient may apply for the scholarship again in subsequent years; however, winners will be selected from all eligible applicants each year and past success does not guarantee future success.

The applicant must be an OHA member or child of a member.

If awarded a scholarship, the recipient will provide the Bend Chapter of OHA with the college scholarship contact information. The chapter will contact the school and arrange for funds to be provided directly to the school.

SELECTION CRITERIA: Applicants will be judged on their application, eligibility requirements, volunteer work, essay and other materials provided. Applications will be reviewed by the Bend OHA Scholarship Committee with recommendations to the Bend Chapter board of directors.

See www.ohabend.webs.com for information on joining the Bend Chapter of the Oregon Hunters Assoc.

For information on becoming a member of the Bend Chapter of OHA please visit our chapter website at: www.ohabend.webs.com. A copy of the scholarship application can be downloaded there.

2018 Bend Chapter OHA Scholarship Judging Criteria

Below is the criteria by which each applicant's information will be evaluated. Consider the following points when answering application questions or writing your essay.

- Verification of OHA membership or family membership
- Major course of study: Classes directed toward fish & wildlife, wildlife biology, or wildlife habitat may rate higher
- Involvement in OHA or other habitat projects
- Extracurricular participation
- Leadership skills
- Community activities
- Awards
- Work experience
- School transcripts
- Letters of recommendation
- Essay: Content, structure, and grammar
- Hunting or Fishing license and last year it was validated
- Photos of you engaged in outdoor activities or community service
- An example of a goal you set for yourself and how you accomplished it
