A big THANK YOU to February speakers, Trooper Tayler Jerome & Trooper Rod Thomas.

They are Oregon State Troopers in the Fish & Wildlife Division, and had an open format where they let everyone ask questions and they either answered or said that they would find the answers for us. There was discussion on the Roadkill bill that took effect in January. They were asked several questions about the new MyODFW system both on the electronic and paper tagging options. It was a great session and people asked many questions. If you have questions you can always contact Trooper Jerome 503-707-2728 or Trooper Thomas 503-474-7328. You can contact the OSP F&W on social media pages or the hotline at 1-800-452-7888 or OSP(677).

A big THANK YOU to our March speaker Rick Spreng from Columbia Sportswear. Rick spoke on Columbia Sportswear's history and how it started with Gert Boyle's parents purchasing a hat manufacturer in 1938 and picking the name from a map of the area. The company passed from her father to her Husband Neal then to her with his sudden death in 1970. Rick noted that Gert is still a very active member of the company who just had her 92nd birthday. Gert's son Tim is the CEO of the company and her grandson Joe Boyle is the president of the Columbia brand. Columbia has multiple brands underneath the Columbia Sportswear umbrella Sorel, Mountain Hard Wear and PrAna. Rick went over those and explained some of the tech behind their products like Omni which has a reflective technology that absorbs the heat to keep you warm and they can pair that with tech that wicks moisture away from your body and or even use a gelling technology to wick it away from your body and when the moisture mixes with the gelling technology it keeps you cooler. The great news is that they are focusing more on hunting and are coming out with a new hunting line. Some products are out now but the full line will be out in 2020 and we are talking all clothing from t-shirts, pants, socks, shoes, jackets, to gloves and hats. They try to make their products for everyone they have sizes in Men's and Women's from XX Small to 6X and a youth line. They also have a ton of great colors and patterns and to choose from. Columbia Sportswear is a fantastic locally based global company that has always had great products and quality plus they offer the different ranges of affordability with their different brands. WWW.COLUMBIA.COM .

It is with sadness that I report that OHA Life Member Don Schaller has passed. March 16th was the day that Don's battle with cancer ended. Don has served multiple stints as president and various other board positions in his 30+ years with Portland/Tualatin Valley & Yamhill and State OHA. Don has supported OHA since its inception and had always taken on active role in supporting OHA's mission. Don remained active until his failing health curtailed the majority of his activities. Even though he didn't travel much in that time, he was always available to talk on the phone and loved to hear what everyone was up to or to pass along advice. I for one will think of his big smile and commanding voice in fondness. Services for Don are going to be April 1, 2019 at St.Pius X Catholic Church, 1280 NW Saltzman Rd, Portland OR 97221 at 11am. Please keep his family and friends in your thoughts and prayers.

Congratulations to the winner of our Quarterly Chapter Meeting Gun Incentive Drawing—New Member Jim Cason. Remember that every member over the age of 12 will receive a ticket for each Tualatin Valley OHA Chapter meeting that you attend. The next drawing will be at our June Chapter Meeting. We thank everyone for attending!

Remember to Report on your Hunts by April 30th—go to WWW.MyODFW.COM to login.

We have started an incentive drawing for Volunteers. If you come out and volunteer at an event and spend four hours then you will receive a ticket. Some events run much longer than others so you will receive a ticket for every four hour block that you come serve. We will draw the winning ticket at our Christmas Party. This does not take the place of the drawings that we do on the event day for volunteer incentives.

Chapter Elections are being held May 21st. Positions up for election are Vice President, Treasurer, and the Directors with Odd numbers (3) positions. To become a member of the board, you must be a member in good standing and be willing to commit to attending the board and chapter meetings each month—the 1st Tuesday and the 3rd Tuesday of the month. Be responsive to email and or texts and try to attend some of the events. You must conduct yourself in accordance to the OHA bylaws, policies and procedures when representing OHA. And also support the mission of OHA.

Please contact Melody Kind if you are interested in serving on the Tualatin Valley OHA Board. Phone 503-502-0611 or email at tvcoha@outlook.com.

If you have any hunting photos that you would like to share in our newsletter, please send digital images to tvcoha@outlook.com or email Melody Kind — hidden_valley@hotmail.com or text them to 503-502-0611.

We are using a new software program and everything is under bidder number. A credit/bank card can be swiped when you come in the door and you can then just use your bidder number for all of the stations instead of running your card at each one—we'll have a summary at the end of the night for all purchases and you can pay at once.

Oregon gun control bills expected to roar to life

By Al Elkins, OHA Lobbyist
Alvinelkins@yahoo.com

March is going out like anything but a lamb in the Oregon Legislature, where many hunting-relating bills are still going through the legislative process. OHA is tracking more than 1,700 bills daily and attending countless hearings and work group meetings on bills. Deadlines for respective chamber work to be completed are fast approaching, so it's now a question of just how many bills will make it out of committee before the deadline. Stay tuned.

Where are the Gun Bills?

No action has been taken on any of the gun bills we are following. The rumor is that a gun bill hearing will be scheduled for the first part of April. No word yet on what gun bill will be heard. Look for the latest on the gun bills through our OHA action alerts. You can sign up for OHA's e-mail updates and alerts at <https://oregonhunters.org>

Bills That Are Moving

• HB 2068 Percentage of Nonresident

Tags: Increases percentage of nonresident tags that can be issued for hunting of black bear, cougar and antelope within areas that may be issued by drawing.

Update: Bill has passed House and is now in Senate Committee on Environment and Natural Resources.

• HB 2069 Unallocated Game Hunting

Tags: Removes requirement that State Fish and Wildlife Commission to issue leftover game mammal hunting tags to anyone first-come, first-served; allows ODFW to restrict leftover tags to those

who have not drawn a tag.

Update: Bill has passed House and now is in Senate Environment and Natural Resource Committee.

• HB 2293 Residency Requirements:

Amends residency requirements for purposes of licenses, tags and permits related to wildlife.

Update: Work session scheduled for March 21.

• HB 2294 Commercial Urine Products:

Requires that any commercial product that contains or is derived from cervid urine and designed for luring, attracting or enticing cervids be from herd free of chronic wasting disease.

Update: Bill has passed House and is now in Senate Environment and Natural Resource Committee.

• HB 2361 Multiyear Resident and

Nonresident Hunting Licenses: Requires State Fish and Wildlife Commission to establish and prescribe fees for multi-year resident and nonresident hunting licenses. Sets agent fee for issuance of each multiyear license at \$5.

Update: Work Session scheduled for March 26.

• HB 2747 Fish & Wildlife Commission

Membership: The bill eliminates the provision that the Fish & Wildlife Commission will be made of members of the general public and instead lists various interest groups that must be represented.

Update: A workgroup has met and offered some changes in the bill. Amendments are being drafted.

• **HB 2795 Cougar Bill:** Creates a pilot program that allows a person to use dogs in the hunting and in the nonlethal pursuit of cougars within a county that elects to participate in the pilot program.

Update: Hearings have been held. No action on bill since the hearing.

• **HB 2841 Information Disclosure:** This bill allows ODFW to refuse disclosure of information relevant to department ability to manage or protect described fish or wildlife species or individual members or populations of species. Exempts information from disclosure as public record.

Update: Workgroup has drafted amendments for the bill.

• SB 723 Coyote Hunting Contest Ban Bill.

Update: A hearing has been held on this bill. We will fight this bill in the Senate and in the House.

Wolf plan vote, new regs highlight wildlife issues for spring

By Jim Akenson, Sr. Conservation Director
Jim@oregonhunters.org

- **Wolf plan input:** In the wake of the recent postponing of the wolf plan vote by the Fish & Wildlife Commission, we are now waiting to see the final draft revision, which will be essential for our final OHA input. We will encourage members and chapters to provide input at the appropriate time. Watch for bullet points to emphasize in upcoming newsletters.
- **Waterfowl regulations:** Next waterfowl season there will be one pintail allowed rather than two as per recent years. The

reduction in the pintail bag limit for 2019 is due to the population status of pintails last spring. The estimated breeding population in the traditional survey areas in Alaska and Canada was 2.37 million, the lowest since 2005 and down 40 percent from the long-term average (1955-2017).

- **Big game regulation meetings:** Summer is when the hunting season recommendations are formulated by ODFW, which include several public meetings across Oregon in July. If you have specific ideas, or concerns, please attend one of these meetings, which will occur in

each region of the state. We will post the specific locations, dates, times once they are announced – likely for May chapter newsletters.

- **Electronic Licensing:** The hunting aspect of electronic licensing starts with turkey and spring bear tag purchases. Remember, you can do this with vendor assistance and print a paper copy or try the electronic version, assuming your smart phone has the right application (see page 4 of the 2019 Big Game Regulations). Earlier problems with duplicating individual registrations have been remedied.

OHA supports efforts to protect migrating wildlife in Oregon

By Ken McCall, OHA Resource Director
Ken@oregonhunters.org

OHA is actively involved in several new efforts to protect Oregon's wildlife migration corridors. Three of these efforts are specific to big game.

More details can be found following the links listed below.

House Bill 2834 requires ODFW, in consultation with Department of Transportation, to develop Wildlife Corridor and Safe Road Crossing Action Plan for use by state agencies. OHA has testified in favor of this bill. <https://gov.oregon-live.com/bill/2019/HB2834>

Secretarial Order 3362 directs DOI agencies to work with Western states to identify migration routes and safe passage barriers specific to game animals, including deer, elk, pronghorn, moose and bighorn sheep. https://www.doi.gov/sites/doi.gov/files/uploads/so_3362_migration.pdf

Oregon Action Plan and Oregon Action Team include implementation of SO 3362 in Oregon. This effort is currently active with OHA participation. The collaborative group organized to implement the Oregon Action Plan includes PEW Charitable Trust, RMEF, OHA, MDF, TRCP, TU, ONDA, ODFW and ODOT. These groups provided written and oral testimony in support of HB 2834 on March 14. <https://www.nfwf.org/westernmigrations/Pages/home.aspx>

Federal funding will be invested in Oregon conservation work

By Karl Findling, OHA Conservation Staff
Karl@oregonhunters.org

With the recent approval from President Trump, the passing of S.47 (John D. Dingell, Jr., Conservation, Management and Recreation Act), Oregon will see substantial benefit, namely Land and Water Conservation Funds (LWCF) that benefit wildlife and habitat.

LWCF is a fund supported by royalties from off shore oil and gas drilling. These funds are critical to purchases of lands across our nation, but namely in our state for things like the recent purchase of the Thirty-Mile access on the John Day River. That purchase, finalized in 2018, provides the only access to the John Day River canyon in a 70-mile stretch.

Long touted as the "Nation's Conservation Fund," the fund expired last fall, and lost approximately \$2.5 million per day while not reauthorized. It has helped nearly every county in our country, and has provided the necessary mechanism to purchase lands critical for wildlife habitat and sportsmen's access across our state.

Another benefit of the "Public Lands Package," is direction for federal land management agencies to facilitate target shooting on public lands. OHA has been involved with a dispute in southern Oregon, and potential closure of target shooting areas on BLM land.

Oregon has seen over \$312 million in LWCF Funds since its inception in 1964.
