A BIG THANK YOU to Michael and Charlie from Hunt-Tag for coming and talking with us about their durable, weatherproof tagging system. They came up with the system after they heard ODFW was going away from our current tagging system. They knew that Oregon hunting conditions can be extreme and have had tags tear off/fall off in transit so they started talking about it and wanted to come up with a solution for themselves. They did come up with a complete system and had a lot of interest in them so they decided to mass market it. Their complete system has options for the E-Tagging or Paper Tagging options. ****Yes, even if you use the E-Tag you still have to tag your harvest with your name, DOB, ODFW ID#, Harvest Date and Confirmation#.**

The E-Tag kit comes with 3– Info Cards, 3-Reusable Zip Ties, 1-Permanent Marker, 1-Safety Pin and 1-Cable Ring that holds everything. The tags have a self laminating flap attached to each tag. After writing on the tag in the field, you can just peel off the flap's liner and seal in your writing—permanently. It's very comprehensive and easy to use. It's \$19.99 for the E-Tag kit then you can purchase single tags for \$3.99.

E-Tag Kit ➡

The Paper Tag Kit comes with 3-Waterproof Bags, 3-Reusable Zip Ties, 1-Permanent Marker, 1-Safety Pin and 1 Cable Ring. Once you fill out your paper tag, place it in the Hunt-Tag Waterproof bag and then secure it in plain site to the animal with either a zip tie or safety pin. It's \$14.99 for the kit and a single or replacement waterproof bag is \$2.99.

*Mike advised to keep your paper tag in the waterproof bags, you can fit a couple in each bag depending on how large the paper is.

Paper Tag Kit ➡

Currently you can only buy them online at Hunt-Tag.com but they're working on getting them out in the stores. They've expanded to a couple other states as well and the dream is to be able to expand globally. We wish them well and I'm sure you'll see their products coming to a store near you. They're hoping to be at the Pacific NW Sportsman's Shows.

We'll have a couple at our Christmas Party and hopefully some at our booth at the Pacific NW Sportsman's Show.

In the meantime, you can find them on YouTube, Facebook, Instagram and Twitter as Hunt-Tag.

These would make great Christmas gifts!

OHA, work group to assess changes in big game regs

By Jim Akenson, OHA Sr. Conservation Director
Jim@oregonhunters.org

During the September Fish and Wildlife Commission meeting in Gold Beach, ODFW staff was instructed by Commissioners to provide a deeper discussion opportunity between sportsmen and staff regarding some of the major regulation changes approved for 2020.

OHA initiated this opportunity through direct communications with Commissioners and ODFW staff. This process will be conducted through a work group format. The objective of the work group will be to provide input to staff on the criteria the department will use to monitor the impact of the following changes to 2020 big game hunting seasons:

- Black-tailed deer bag limits (1 buck with visible antler and 1 antlerless deer)
- Late-season mule deer hunts (145A-Fossil, 148A-Heppner, and 143C-John Day Canyon)
- General antlerless elk damage season

Prior to the first meeting, ODFW staff will provide the work group with a document detailing changes that were made, objectives of the changes, monitoring criteria, and duration of the monitoring.

Besides ODFW, the slate of representatives will include Oregon Hunters Association, Rocky Mountain Elk Foundation, Oregon Bow Hunters, Oregon Outdoor Council and Traditional Archers of Oregon. The first meeting is scheduled for Dec. 4. The need for additional meetings and dates will be determined at the end of the first 3-hour meeting.

OHA and NRA are challenging the wording of the ballot title for a gun storage initiative petition.

OHA challenges gun bill ballot title

By Al Elkins, OHA Lobbyist
Alvnelkins@yahoo.com

The Oregon Department of Justice has certified the ballot title for the latest gun storage initiative, and OHA and NRA are challenging the title in court. The ballot title reads:

Ballot Title: Owner must lock firearm/ use locked storage (exceptions), report loss, supervise minors' use. Penalties/ liabilities

Result of "Yes" Vote: "Yes" vote requires owner to lock firearms when stored, transferred; exceptions. Owner must report theft, loss. Use by minors supervised. Penalties; strict liability for injuries.

Result of "No" Vote: "No" vote retains current law; locking firearms, reporting theft or loss not required. Retains current law regarding possession/sale to minors. Owner liability requires negligence.

Summary: Requires firearm owner/ possessor to secure it with trigger or cable lock, or in locked container when not carried by owner/ possessor, with some exceptions; must transfer firearm with trigger or cable lock, or in locked container; must report theft or loss of firearm to law enforcement within 24 hours; person transferring firearm to minor must directly supervise minor's use. Failure to comply with requirements treated as violation (not crime). Person who violates requirements strictly liable if firearm

that is subject of violation injures person/ property within four years of violation; liability does not apply if injury results from self-defense or defense of another. Oregon Health Authority to adopt specifications for trigger locks, cable locks, firearm containers. Defines "firearm," "transfer," other terms. Other provisions.

In our letter in opposition to the initiative petition, OHA submitted a strong statement against the petition filing. Here is a part of the OHA letter:

"The ballot measure, title and measure summary deals with multiple subjects in violation of Article IV(1)(d) the Oregon Constitution. The measure includes the following subjects: 1) Storage and Control, 2) Transfer, 3) Reporting and 4) Minors. While item 1 and 2 may be "matters properly related therewith" under Article IV, we do not believe that item (3) Reporting, and especially item (4) Minors, are related. The safe storage of firearms is one matter. The requirement for reporting theft/loss and a creation of strict liability is a separate matter. Likewise, the direct supervision (undefined) of minors is a separate matter.

"The draft ballot title does not comply with ORS 250.035. The measure does not conform with the Oregon Constitution (Art. IV). It should not be on the ballot, period."

OHA will keep you updated on our challenge.
