

**CRITICAL ODFW LICENSING**

# ANNOUNCEMENT

September 1, 2020

Dear ODFW Customer,

The bug affecting Apple devices announced last week has been fixed. Please update your MyODFW app to the latest version by visiting the App Store and choosing Update or Open as soon as possible.

ODFW and OSP recognize that some hunters and anglers may be in a remote location and unable to update their app immediately. Hunters and anglers who return to cellular or WiFi service must update their MyODFW app just as soon as they are able in order to be in compliance with laws and regulations.

ODFW thanks e-taggers for their patience with the app and for choosing e-tagging.

Thank you,

Mathew Oeder  
ODFW Division Administrator  
Management Resources Division
