

HOW YOU CAN HELP FIGHT AGAINST INITIATIVE PETITION 13

Talk to the people in your circle.

- Make sure they understand the far-reaching effects and know not to sign the petition.

Register to vote.

- Every person invested in a rural or self-reliant lifestyle should be able to cast their vote to protect it.

Talk to people about why you chose to live a self-reliant lifestyle by hunting, fishing, and/or raising livestock.

- Being less reliant on the national food network and understanding where our food comes from is a message that resonates with people beyond our self-reliant communities.

Become a member of an organization fighting this initiative.

- Oregon Hunters Association, Oregon Farm Bureau, Oregon Outdoor Council, Oregon Cattlemen's Assoc, Oregon Outfitters & Guides Assoc, Oregon Dairy Farmers Assoc, Oregon Trappers Assoc, and many others.

If possible, donate to help with the legal fight ahead of us.

- For example: OHA's Victory Fund or Oregon Farm Bureau's Voter Education Fund.
