**Welcome to our newest TV Chapter Members  
Stephen Frahm & Family, Sam Marshall,  
Andrew Masters and Cody Patterson**

**The fight is continuing— Measure 114 passed by  
a narrow margin, what happens now?**

There will be litigation from several sportsman's groups and OHA will support them by donations and however we can help. Hopefully they will grant an injunction on this measure and we can continue as normal until there is a resolution.

The Supreme Court has already declared this unconstitutional in several other states but we have to go through the process here as well. So the fight continues on and we will see how things progress here but we're not sure on timelines.

What can you do? You can get new members to join. You or they can purchase gun calendars for \$50 and along with that comes a membership—you can keep the membership or sign someone else up. **IF** we do not get the injunction and we are not able to give guns away in January after the drawing, we will be potentially be giving gift cards in the amount of the value of the gun you were drawn for.

If you want to contribute financially the you can donate money to the **OHA Victory Fund** or **Sportsmen Opposed to Gun Violence Coalition** as both will support litigation efforts against Measure 114.

OHA volunteers braved sub-zero temperatures to plant thousands of forage seedlings in an Interstate Unit burn Nov. 19-21.

## OHA restores Interstate mule deer winter range

By Tyler Dungannon, OHA Conservation Coordinator  
[TD@oregonhunters.org](mailto:TD@oregonhunters.org)

In response to wildfires that burned over 500,000 acres in the Interstate Unit last year, OHA and partners planted thousands of sage and bitterbrush seedlings to help restore Lake County mule deer winter range on Nov. 19-21.

Adults in Custody at the Warner Creek Correctional Facility, who sowed and nursed the plants beginning in May, planted 400 plants in three hours on Nov. 19, and then 40 OHA volunteers took the torch over the weekend. An actual torch would have been nice, as morning low temperatures were -8 on both Saturday and Sunday. Still, most volunteers were shedding layers by 10 a.m. and enjoying blue bird days.

OHA conservation staff broadcasted sage and bitterbrush seed, and our hardy volunteers planted and protected roughly 6,000 seedlings near Clover Flat, east of Lake Abert. However, there is still more work to do. OHA staff will set a date to plant an additional 6,000 seedlings for spring of 2023, when we hope to see mild weather.

Future planting dates have yet to be determined, but please stay tuned if you're interested in restoring mule deer winter range. Contact Tyler Dungannon ([td@oregonhunters.org](mailto:td@oregonhunters.org)) for information.

State OHA, OHA Klamath and Lake County chapters each contributed \$3,000 to the 2022 project, respectively. OHA conservation staff successfully attained grant funding to make this project possible, and these grants were awarded by the Oregon Conservation and Recreation Fund (\$23,000) and Rocky Mountain

*FREEZER BURN* - OHA volunteer Jacob Haley plants a dormant seedling in the Bootleg Fire burn in Lake County, where morning temperatures were below zero on Nov. 20-21.

Elk Foundation (\$10,000). Backcountry Hunters and Anglers donated more than \$1,000 of sage and bitterbrush seed, and Legacy Sports International, Benchmade,

and Sig Sauer donated amazing drawing prizes for volunteers. Institute for Applied Ecology, the Bureau of Land Management and the Warner Creek Correctional Facility have played pivotal roles in making this project a success, and OHA is looking forward to continuing these partnerships.

## Election results will affect hunters

By Amy Patrick, OHA Policy Director  
[Amy@oregonhunters.org](mailto:Amy@oregonhunters.org)

Measure 114, the gun control bill on the Oregon ballot, passed in the November election by a margin of only 1.5 percent. With this result, OHA will transition our fight to the arenas of litigation and legislation. While OHA will not be the lead organization on the lawsuits being filed, we are working closely with our sportsmen's coalition partners and supporting those that are seeking litigation through financial contributions and strategic use of our legislative efforts.

While it cannot be guaranteed, we are hopeful that any litigation filed will also be granted an injunction against the measure, which would keep its regulations from taking effect while the litigation makes its way through the court system.

Therefore, we are advising OHA chapters to continue with 2023 banquet planning and fundraising options as we have in the past.

Democrats retained their 36-year grip on the Governor's office. The incoming administration will appoint new staff in the Governor's Natural Resource Office, as well as having the potential to make changes to agency leadership and appointments to boards and commissions. The new governor will also have an additional month to approve their recommended budget to be brought before the legislative body in January.

Makeup of Oregon's House and Senate changed slightly as a result of the election. Previously, Democrats held a super majority with 37 seats in the House and 18 in the Senate. They now hold 35 House seats and 17 Senate seats. While not a large change, it affects how specific bills can progress through chamber votes.

The redistricting of Oregon's House and Senate districts, which takes effect in 2023, has contributed to more legislative turnover. The 2023 legislative session will see 23 new representatives and senators joining the legislature. OHA will work to develop relationships with all the new legislators while maintaining those we have with existing lawmakers.
