## Oregon Hunters Association Hoodview Chapter News

January 2023 – Volume 25– Issue 1

Hoodview Chapter News is a monthly publication of the Oregon Hunters Association

### Message From The President – Our Banquet And 114

Hoodview is holding our fundraising banquet on February 25th regardless of where 114 stands at the time.

Just to spit in 114's face, we modified the banquet to raffle more guns than ever before.

So that you can buy and bid in full confidence, we will hold the guns you win for at least one year.

Your guns will be held in a fireproof safe by our insured, and bonded private party Federal Firearms Licensee.

Hoodview is ready to raise funds for wildlife, habitat, and fighting stupid stuff like 114.

Please register for the banquet today, bring your money on the 25th and show the world that 114 isn't stopping you!

Sincerely, Kelly Parkman

### Volunteers Please!

We need eight volunteers who can sell tickets during our fundraising banquet. This is an important position for making the banquet fun.

We really need two people who can make the various raffle and auction displays look great. There is a bit of time pressure with this duty.

This year we would appreciate 4 or more helpers at setup and tear down. Start near 10:00 and end near 9:00. You can help at one end or both.

If you can help this year, please contact our volunteer coordinator Terri Ballard  
tballard0193@outlook.com

Thank you for your support.

## Banquet Update - We Need Your Help

Please register for the banquet asap. That is how we'll update you if new developments arise. [Ohahoodview2019@gmail.com](mailto:Ohahoodview2019@gmail.com) or 503-314-3090

It would be good if you paid now, but not mandatory. It's more important that we can contact you if needed. You don't need all the names of the folks attending with you. We simply need to know how many.

New This Year – We're drawing gun winners early and often all evening! The moment a raffle sells out, we're drawing it.

Most important, the Wall Of Guns will be fast and furious with a drawing each time 100 tickets are sold. This gives you more chances at 8 guns versus a few chance at 4 guns. We'll release more details later, but here's a hint: We stole the idea from the Columbia chapter. It's a ton of fun!

We've added two new rifle sponsors along with the Coastal 6.5 Creedmoor. So again, with the Weston and Pacific Lamp rifles you have more chances to win.

We're changing up the mystery safe. Still awesome, but a new mystery.

Cathy always goes rogue. Her shenanigans usually include a gun.

In the end folks, this may be the last banquet where winners walk out with their gun. Please register early. Please bring a friend. Let's generate a ton of money to protect Habitat, Wildlife, and especially now, Hunter Heritage.

*Sincerely all eighteen Hoodview board members.*

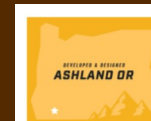

## Your Banquet Gun Is Still Fun!

If you can't walk out the door with your new gun because of 114, Hoodview will hold your gun for at least one year at no cost to you!

Your gun will be held in a fireproof safe by a licensed, bonded, private party FFL until you can pick it up.

So, register for the fundraising banquet, buy those raffle tickets, and bid on those guns!
