Welcome to our newest TV Chapter Members

**Greg Stone, Casey Smith, Matt Herb, Nino Luthi, CJ Goodrich and Robert Studer**

Chapter Meetings— we're doing a couple of new things, first at our Chapter meetings we're doing a three person, three question contest between the guest speaker and two other volunteers and whomever gets the most questions correct will get first pick from our prize table.

The second thing is that we will announce a topic and you turn in your stories to Ben Haren and we will choose the best story and discuss it at our Chapter meeting. **The first topic is, "Tell us you're best Leupold & Stevens story."** Since Bruce Pettet, CEO of Leupold & Stevens, is our August guest speaker you can tell us how their equipment has worked for you—good or bad.

Remember to get your Bear tags, season opens on August 1st, 2023.

Making a Difference in Air

**A BIG THANK YOU to Michael O'Casey who is a deputy director of the PNW Region of the Theodore Roosevelt Conservation Partnership for being our July guest speaker.**

***TRCP is a non-profit whose mission is to guarantee all Americans quality places to hunt and fish.***

TRCP works with 63 diverse partner groups that represent today's leading hunting, fishing, and conservation organizations in order to strengthen the sportsman's voice in Washington, D.C. They help identify areas of consensus, coordinate work toward shared priorities, establish plans for action, and present a united front to lawmakers who can have a major impact on hunting and fishing. In addition to their board, policy council, corporate council, and staff, the TRCP is made up of more than 100,000 individual advocates. Partnership does not necessarily imply that these groups participate in all of the TRCP's work, but the organizations are committed to collaboration in service of advancing conservation policy. You can see the list on the website [trcp.com](http://trcp.com) .

Some things the TRCP are working on locally are;

- \*Big Game Migration & Wildlife Crossings
- \*Mule Deer Management Plan Revision
- \*Federal Agency Land Use Planning & Policies
  - \*BLM Resource Management Plan Revisions
  - \*USFS Blue Mountain Forest Plan
  - \*Hart Mountain National Antelope Refuge Revitalization of herds
- \*Unlocking Millions of acres of Inaccessible Public Land
- \*Modernizing Public Land Data
- \*Backcountry Conservation Management
- \*Clarifying Public Road Access

*You can contact Theodore Roosevelt Conservation Partnership by going to their website at [TRCP.com](http://TRCP.com) by going to their social media accounts on FaceBook, Instagram, Twitter and YouTube.*

*You can take a look and see if you want to Take Action on any of their actionable items, share pictures @theTRCP and also join if you would like to.*

**Here are more of our Youth event pictures in the next few pages and  
Congratulations to the Timber Beasts BB Gun Team!**

Rogers Arkansas — 7/13/2023 — Over the weekend, Forest Grove BB Shooting Coach Howard Baker was inducted into the Daisy Coaches Hall of Fame.

Howard Baker is the Head Coach and program director of the [Timber Beasts BB Gun Team](#). For the past 45 years, Howard has taken a team to the BB Championship Match to compete against other BB Shooting teams from around the country, never missing a year in more than 45 years.

This year the Timber Beast team was made up of Justin Martin, Saydee Shroyer, Jett Cuenco, Jay-Linn Weaver and Mayson Shroyer. Alternates Kailey Heller and Ali Agal-zoff also competed in a separate tournament. Head coach Howard Baker with assistant coaches Lonnie Winkler and Brad Heller made up the coaching staff.

The Daisy Championship match is comprised of 4 shooting positions, prone, standing, sitting and kneeling as well as a gun safety test. Each of the 5 parts is worth 100 points, for a maximum score of 500. Competitors are between the ages of 8 and 15 and have completed a 6-week gun handling safety course. Only after the safety course do they compete in a 13-week shooting program, where only the top 7 shooters proceed to the National Championship Match.

The Competitors compete both individually and as a team. Awards are given for each individual position as well as top individual total score. The total score of the team is also added up and awards are given for the top aggregate team scores.

This year the Oregon Timber Beasts placed 9th out of 57 teams. The top shooter on the team was Justin Martin who placed 33rd out of 412 shooters.

For more information about the Oregon Timber Beasts, information can be found on the teams Facebook page: [Timber Beasts BB Gun Team](#) or hrbaker877@gmail.com
