Presidents Message

Hello all members of the OHA Klamath Chapter,

On May 11, 2024, a work day was scheduled to check last falls plantings and place netting around newly planted bitterbrush plants. The weather was great and access was good allowing Tyler Dungannon and 8 Klamath OHA members to check the plants survival. Based on the area checked it appears that they did well.

We had our annual Hart Mt. campout May 18-19th, 2024. We completed the painting of the pavilion building located at Camp Hart Mountain. Special Thanks to Chris Cook for bringing out his paint sprayer and making quick work of the main painting. The trim was completed and other maintenance was completed.

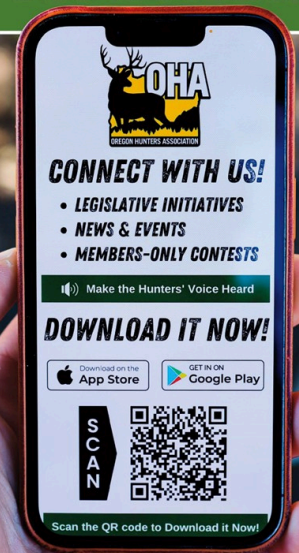

June 1st was the Green Diamond Clean up and we had a successful day picking up trash from the Keno area and ended the day with a BBQ lunch cooked by Ken Hand.

The 2024 tag results should be out in the next week or so and wish you successful draws.

Allan Wiard
Klamath Chapter OHA President

HART MOUNTAIN CAMPOUT

On May 18th, 23 Klamath Chapter volunteers came together to replace wood and paint the pavilion at Camp Hart Mountain Campground. We ended the day eating a great meal together and enjoying the time in the dessert.

Green Diamond

We had 45 volunteers show up to spend the 1st day of June to clean up various dump sites on and around Green Diamond property out past Keno. We had a few new faces from the Keno area join us as well as Trash No Land and JunkIt LLC. In total over 5300 pounds of trash and about 55 tires were removed. 4 abandoned vehicles were found dumped and will hopefully be removed as well.

Thank you to our sponsors: Klamath County, Waste Management, Rogue Klamath Transfer & Basin Tire.
