

# Oregon Hunters Association Hoodview Chapter News

October 2024 - Volume 26 - Issue 10

Hoodview Chapter News is a monthly publication of the Oregon Hunters Association

## HUGE CHANGE COMING!

Hoodview will transition to e-newsletters  
beginning January 2025.

This means your monthly newsletter will arrive  
by email.

Three Periodic paper newsletters will still come  
via snail mail.

After many discussions over multiple board meetings, it was  
decided to cautiously proceed with this transition .

Saving \$4,000 to \$6,000 per year was the one factor all board  
members agreed on.

VP Nate Purdum said it well, "I'd rather receive my paper  
newsletter, but we're obligated to be good stewards of chapter  
funds. 4K would go a long ways towards habitat, wildlife, and our  
hunting heritage. "

Kelly Parkman, newsletter editor and most nervous board  
member about this transition acknowledged that chronic  
mailing delays have undermined the delivery of time sensitive  
information such as meeting and project dates with related  
details.

He said, "A twenty day lead time no longer assures the delivery  
of a paper newsletter before the monthly meeting or a large  
event. "

The board acknowledges that Hoodview has many members  
who don't care for email or even use it. Heck, a couple of them  
sit on the board!

Hence, three paper newsletters will still arrive by snail mail.  
Hopefully well in advance of the meetings and events they are  
promoting.

Hoodview appreciates your membership and hopes you'll stick  
with us through this transition.

There will be more details in your two remaining newsletters  
this year.

*Sincerely, all fifteen members of the  
Hoodview board of directors.*

**A Note From Nate** I'd like to send a reminder to all of our members, that we are looking to add any quality items that can be used for auction, silent auction, or general raffle give aways at our banquet. These can be product or services from local businesses. If we can get some items donated, it just means we can increase our bottom line to help stretch our giving to the projects that honors our focus. *Thanks, Nate*
