January 2025 - Volume 27 - Issue 1

Hoodview Chapter News is a monthly publication of the Oregon Hunters Association

## IT'S BANQUET TIME!

Can you sponsor a banquet raffle package? We have a program to make it easy. Pick a raffle to sponsor or donate an item.

**Examples: Duck Raffle, Pistol Raffle,  
Silent Auction, General Raffle,  
Early Bird Raffle, Appreciation Raffle**

Sponsors get a sign, big ad in the program, one year business card ad in the newsletter, and of course, the good feeling that comes with doing something like this 😊

We can use donations of nearly any worthy item and cash donations are always appreciated!

Contact Kelly Parkman if you can help. [Kparkman.oha@gmail.com](mailto:Kparkman.oha@gmail.com)

**From the Chairman of the Board** Happy holidays to all and a great New year. Does not seem possible that another year has come and gone.

Please remember to report on all your tags.

We had a wonderful holiday party at the gun club with lots of old friends and new.

At this point we are in full banquet mode and doing quite well. If you know of anyone that would like to donate something, please have them get in touch with one of the board members or pick it up yourself. We can always use interesting things.

If you would like to sit at a group table and cannot put together 8 people remember we can put you with other members. It is a great way to make new friends.

Looking forward to seeing you all there. Get your seats reserved early.

*Cathy Hamell*

**Banquet Update We Need Your Help** Please register for the banquet asap. That is how we'll update you if new developments arise.

Ohahoodview2019@gmail.com or 503-314-3090

It would be good if you paid now, but not mandatory. It's more important that we can contact you if needed. You don't need all the names of the folks attending with you. We simply need to know how many.

We're drawing early again this year! – We're drawing gun winners early and often all evening! The moment a raffle sells out, we're drawing it.

Once again, at \$10/ticket, the Wall Of Guns will be fast and furious with a drawing each time 140 tickets are sold. This gives you more chances at more guns than ever.

We have three sponsored rifle raffles this year. The Weston Predator Package, a scoped Christianson Arms rifle from Pacific Lamp, and a fine Coastal rifle. Again, more chances to win!

The mystery safe is so mysterious this year, we don't even know what's in it yet!

Cathy always goes rogue without telling the board about it. Her shenanigans usually include a gun.

Please bring a friend. Let's generate a ton of money to protect Habitat, Wildlife, and especially now, Hunter Heritage.

**The Business Of Background Checks** Hoodview may be the last chapter offering winners possession of their gun at the banquet and it's become challenging.

Our amazing gun room team submits more background checks than OSP can approve during the event.

If your background check is not completed at the banquet, it will be processed by our private party FFL for as many days as it takes for OSP to approve it.

Please be patient. This is a volunteer position, so we don't do daily or weekly updates. We will simply notify you when you've been approved. You'll pick up your gun in Beaverton.

Thank you for understanding.

# IP28 nets 34,000 signatures, \$10k from PETA

By Amy Patrick, OHA Policy Director  
[Amy@oregonhunters.org](mailto:Amy@oregonhunters.org)

Initiative Petition 28 (IP28) is the latest iteration of the egregious initiative seeking to criminalize killing an animal in Oregon for any reason other than self defense.

This petition, previously known as IP13 and IP3, would make it illegal to hunt, fish, trap mice or gophers, teach using animals, raise and slaughter animals for food, and breed animals.

Since the initiative first came to Oregon in 2021 with the intent of making the

2022 ballot, it has not received attention or support from any major national animal-rights organizations.

That changed when they received a \$10,000 contribution from People for the Ethical Treatment of Animals (PETA). This development signals a major shift in support for such an outlandish idea and should concern everyone monitoring the initiative.

As of this writing, the initiative has gathered more than 34,000 signatures since it was approved to begin collection for the 2026 ballot in July. This is

the largest number of signatures raised in the history of the initiative and is predominantly due to their ability to use paid signature gatherers. The PETA donation ensures that they will be able to continue paying signature gatherers on their way to the 117,000 signature threshold to gain the ballot.

OHA works with two opposition coalitions, one sportsmen's-focused and one focused on farming and ranching organizations. Our work to educate Oregonians to the detrimental effects of IP28 will continue in earnest.

# A&H will fund burn seeding

By Amy Patrick, OHA Policy Director  
[Amy@oregonhunters.org](mailto:Amy@oregonhunters.org)

The ODFW Access & Habitat Program has prioritized funding for four reseeding projects to assist landowners in rehabilitating habitat damaged by wildlife. A total of 3,500 acres will be seeded to ensure erosion control and soil health, as well as establish important forage components for wildlife.

The projects are located in central and eastern Oregon with multiple ownerships and properties that were impacted by numerous wildfires in the past year.

The Access & Habitat Program was established in 1993 and provides grants to private landowners to increase public

hunting access and wildlife habitat efforts. Since its inception, the program has opened access to over 8 million acres of private land and improved habitat on over 1.6 million acres.

The program is funded by a \$4 surcharge on hunting licenses, the auction and raffle of 10 deer and 10 elk tags (including three tags that OHA will auction in 2025; see next page for dates and locations), and funding from the Green Forage and Deer Enhancement and Restoration Program.
