## Presidents Message

Greetings,

As we look ahead into 2025 we want to encourage **all** members to pick at least one activity or project and join us. We have numerous activities & projects we would like to keep doing but we need more volunteers to do so.

From projects at Hart Mountain, bitter brush planting & maintenance, Green Diamond forest clean-up near Keno, youth chucker hunt, the Gerber Youth Antelope BBQ, our annual banquet and Guzzler program. All of these are family friendly events/ projects where we work hard but we have lots of fun. We need your help in help keeping our them going. Take this time to introduce your kids (or parents) to the great outdoors and encourage more time together doing important volunteer work.

This year we would really like to refocus on maintaining & rebuilding our Guzzlers located in Klamath County. We hope to see you at our chapter meeting for the presentation from a Norm Holliday & Gary Chandler.

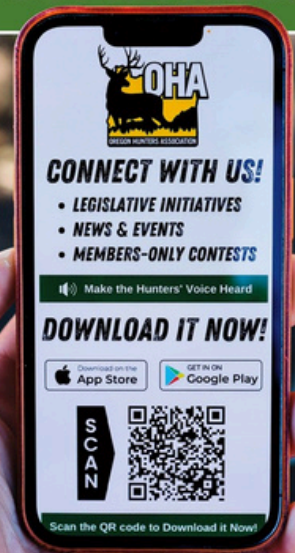

Members, please remember that we are working on going paperless in the next few months. This is an area that has been identified we can save thousands of dollars. If we do not have a current email address, you will miss out on our newsletter & important updates.

Thank you,  
Dennis Wiard  
Klamath Chapter OHA President
