Presidents Message

It's a new year for us in the Blue Mountain Chapter. I've gotten my 2025 license and am looking over the hunting and fishing regulations, thinking about the coming opportunities and the wonderful times to be spent on our amazing public lands. The new year includes our monthly meetings, usually the fourth Tuesday of each month. We hope to see more of you participate this year. We are actively working on a bit of a different spring event this year.

We are going to get together on Wednesday, May 14th at the Backfire Station in Pendleton, where we'll have some raffles, games, and drawings. The drawings will include a rifle, a shotgun, and the guided cow elk hunt with Hunt Oregon, LLC. You will be able to sign up and purchase raffle tickets online and during the event. I suggest you purchase early to ensure tickets are still available. We hope to sell out. Folks will be responsible for purchasing their own food and beverages for the evening.

This is the time of year when Congress and the Oregon Legislature are back in session. It is a time when we need to pay attention to the multiple bills, budgets and proposals and consider if they directly or indirectly affect hunter conservationists, wildlife or our public lands. The OHA is directly engaged and paying attention, actively engaging with our Senators, Congress, State Legislators and the Governor's Office. All of us need to be engaged to ensure our interests are reflected in the future of wildlife management within the state of Oregon.

We are always looking for stories and pictures to share of members hunting experiences, so please share your stories, we can try to get them in the Newsletter or share them online.

Thank you for your continued support of the Blue Mountain Chapter OHA.

Kevin
