

JOIN THREE RIVERS ARCHERS IN A 3D SHOOT *and*

SUPPORT SOMEONE SPECIAL IN OUR
COMMUNITY WITH A LITTLE FRIENDLY
COMPETITION!

Please join our Fundraiser 3D Shoot to support Sabrina Clark, who is battling Adult Tethered Cord Syndrome—a rare and incurable spine condition that requires surgery to prevent further progression of the condition and isn't covered by insurance. Progression of this disease has led to a loss of fine motor skills, memory issues, cognitive struggles, mobility challenges, daily dependence on assistance, and severe pain.

Nick has also been an invaluable supporter of the Three Rivers Archers Youth program and the Oregon Hunters Association. Now is the time for us to rally together and assist Nick & his family.
