

DO YOU KNOW ABOUT IP28?

IT WOULD CRIMINALIZE HUNTING, FISHING, TRAPPING, FARMING, RANCHING, AND WILDLIFE MANAGEMENT

WHAT IS IT?

IP28 is an initiative petition, not a legislative bill, aimed at the 2026 ballot.

It seeks to change the animal abuse statutes to **criminalize hunting, fishing, trapping, killing animals for food, education and research with animals, wildlife management practices, and even trapping mice & vermin**. It would classify breeding animals, to include domestic pets, livestock, and equine, as sexual assault.

It is an attack on a self-reliant lifestyle. It would create a 'no kill' sanctuary state, forcing Oregonians to a vegan diet or to have their meat and dairy products shipped in from other states, making us more reliant on the national food network for our food resources.

WHO'S BEHIND IT?

IP28 is driven by an **extreme, animal rights and vegan agenda** centered in Portland with out-of-state influences. (It was formerly known as IP3 & IP13)

The proponents of IP28 are currently gathering signatures to qualify it for the ballot; they have until July 2026 to gather over 117,000 signatures.

HOW DO WE FIGHT IT?

1) Educate everyone around you about this extreme measure and how harmful it would be to all Oregonians.

Make sure they understand:

Do not to sign anything for IP28!

2) **Register to vote!** If this initiative makes the Oregon 2026 ballot, we need everyone to vote NO!
